Subject: Amherst Lab Questions

Hi Nancy,

Rebecca told me to contact you about a few items needed for our lab:

1. Repair auto sampler turret. Do you use a service call from Agilent, or do you get a replacement auto sampler turret.
2. Can you email me a list of your adulterant standards?

3. Could you have purchasing email me a list of your drug lab purchases so I can order the same supplies.
4. Could you order Drug Submission Forms for our lab? We analyze around 3000 cases a year. Attached is our Header.
